How old is your sailor?

Age 6-7

Age 8

Age 9-11

Age 12

Age 13-18

Is your sailor ready to sail on their own?

Are they tall for their age?

Is your sailor over 115lbs or over 5ft tall?

Not yet!

Yes! They are ready for the capsized test and to sail on their own

Yes!

No

No

Yes!

Jellyfish at Wollochet Bay or West Shore Marina
\$275 per week

Jellyfish class allows for a comfortable introduction to sailing for young children ages 6-8. Our approach introduces sailing concepts in a fun and safe way that allows kids to build confidence before sailing on their own.

Youth at West Shore
\$445 per week

Sailors get the opportunity to build skills on their own in boats designed for kids. Build proficiency in basic sailing skills including tacking, jibing, sailing upwind and downwind. Sailing independently in an O'pen Skiff or Sail Cube

Youth at Wollochet Bay
\$445 per week

Sailors get the opportunity to build skills on their own in boats designed for kids. Build proficiency in basic sailing skills including tacking, jibing, sailing upwind and downwind. Sailing independently in an Opti

Teen at West Shore or Wollochet Bay
\$445 per week

Sailors get the opportunity to build skills on their own in boats designed for kids. Build proficiency in basic sailing skills including tacking, jibing, sailing upwind and downwind. Sailing with a partner in a 420 or FJ
