Applicants will submit a completed financial assistance application form and all requested information and documentation needed for their application. Full disclosure on income verification is required

Assistance will be granted on the basis of demonstrated financial need. Need is determined through household size, total household income, and any extenuating circumstances disclosed in the application

## EXPECTATIONS - CAMP PROGRAMS

If financial assistance is awarded, please submit a thank you note after participating:

Gig Harbor Junior Sailing  
11010 Harbor Hill Dr., Suite B PMB159  
Gig Harbor WA 98332.

This can also be done via our [2025 Sail Camp Feedback Survey](#). We use these to encourage our wonderful donors and secure scholarship funds.

A financial assistance application does not reserve a space in a camp session. A space is reserved only after registration has been completed through Active Network

Financial assistance participants have the same privileges as a full paying participant, and are expected to abide by the same policies and rules every participant accepts when using the facility or participating in programs.

Financial assistance is TEMPORARY and registration must be completed within two weeks of financial assistance approval. At that time, funds will be released to other applicants and may not be available.

Funds for classes or programs may be requested, but approval will depend on the status of the scholarship fund.

Scholarship applications will remain on file until December 31st, of the calendar year. If financial assistance recipients choose to enroll in additional programs, an additional application is not necessary unless circumstances have changed. Aid recipients will be awarded additional funds if available.
